HOSPITALITY AT HEART

We are reaching out to you at this time of year with our Fall Raffle. We begin by thanking you for your ongoing support of the Residence. Because of your support we are able to supply nutritional meals, along with clean and comfortable housing. We have been blessed this year to invite in new residents who have been grateful to join us.

During the Summer months we have enjoyed the bounty of our Residents' Garden. We have made some fun day trips and also had seasonal celebrations and crafting opportunities. We also have been busy planning and executing our two major fundraising events: Swing Fore Little Sisters Golf Outing and the Nun Run Fall Festival. These events help us, but please know the support from our three raffles are a very sustainable and integral part of our fundraising.

We have just received permission from France to move forward with the final phase of our renovation at the Home. This is the largest project we have undertaken thus far. As you know, we as Little Sisters depend solely on the generosity and kindness of our benefactors to provide for the elderly poor that we care for in keeping with the mission of our founder St Jeanne Jugan. In her words: "If God is with us, it will be accomplished . . . God will help us; the work is His."

Please know we remember you daily in our prayers, and we humbly and gratefully thank you from the bottom of our hearts!
